February 7

WANT MORE small group experiences for your youth?

WANT MORE connections to other Christian youth?

WANT MORE youth community in a safe place to be yourself?

Join Common Ground, a new youth group sponsored by several churches of Providence Presbytery. On the first Sunday night of each month our events will include recreation, fellowship, small group activities, music, snacks and more. Join us at Bethelwoods and experience youth group in a whole new way...Common Ground...a youth community.

Churches are asked to RSVP one week prior to the event with leader contact info and an estimate of number of youth and adults; and to bring enough snacks and drinks for your group and some to share.
